£74,500

BLACK PACK AND SPORT CHASSIS

The Lotus story continues with a new icon: Emira. A car that doesn't just turn heads but turns conventional thinking on its head, with its exotic supercar looks, everyday usability and enhanced comfort combined with class leading Lotus driving dynamics.

The newly launched Lotus Emira is still a very rare beast on the NI roads. This Emira gives you the unique opportunity to beat the minimum 12 month wait list and avoid the recently announced price increase. This is the First Edition 3.5 V6 supercharged Launch model with very high spec factory options. Dark Verdant Green Metallic with interior Tan Leather which is a Fabulous combination. Black pack which is a £1,200 option. Black Gloss ultra lightweight v spoke forged alloy wheels with Goodyear Eagle F1 supersport tyres. Sport chassis and 6 speed manual - surely the best option for a Lotus. Black brake calipers. Black Leather steering wheel. Privacy Glass. Scorpion Tracker for that bit of extra security.
